ACCESSORIES

To expand, complete or improve the installation, Aiten Data also has all the necessary accessories for its electronic, computer or telecommunications equipment, whether basic systems or complex data centers.

The removable 3U drawer of Aiten Data is ready to be installed in any 19" rack cabinet. The length is 360 mm and the available interior space measures 420 x 350 x 120 mm.

It has a security lock with two keys and handle to open comfortably. It is very easy to anchor thanks to the side profiles.

Manufactured on 1.2 mm cold-rolled steel with black anti rust paint finish and powder coating.
