ACCESSORIES

To expand, complete or improve the installation, Aiten Data also has all the necessary accessories for its electronic, computer or telecommunications equipment, whether basic systems or complex data centers.

Aiten Data presents several measures of 1U sliding shelves: 450 mm, 600 mm, 800 mm and 1000 mm, which adjust to the length required. The width is always standard, 19".

On the surface they have grooves that facilitate the ventilation of the devices they support, and on the sides, they have removable anchors sliding, which allow the equipment to be handled comfortably.

They are manufactured on 1.2 mm cold-rolled steel with black anti rust paint finish and powder coating.

MAIN FEATURES

- 1.2 mm cold-rolled steel.
- Powder coating.

STANDARDS COMPLIANCE

Aiten Data accessories are under standards: ANSI / EIA RS-310-D; IEC297-2; DIN 41494; PART1; DIN 41494; PART7; ETSI; EC; ROHS; ISO 9001.
